SERVICE** ★★ ★

As a part of **National Mentoring Month** and **MLK Day**, Mentor Michigan encourages you to get involved with a service project in your area on MLK Day, January 20th, 2014.

This is a great opportunity to plug your mentee into the community, raise awareness for the needs of the community and serve directly – together!

MLK Day service projects are happening all around the state. Search here to find a service project near you: <http://mlkday.gov/>

Also on this site are resources for you to help make MLK's dream a reality by planning a project in your area that helps meet the needs of others.

MLK DAY IS A DAY ON!
